

## **SUMMARY FOR WEB POSTING – BOARD MEETING 3/18/2010**

### **OPEN FORUM**

The board will investigate the possibility of a community bulletin board where residents could post personal notices.

### **BOARD MEETING**

The tax-exempt applications for all Springs parcels that were filed last month with the tax office have been accepted and processed by the county.

Tim Curtis reported that the Calling Post has been modified to call both a home phone and one cell phone for each residence if there is an emergency. This should remove any problem with missed calls.

Assignment of duties: Ed Carlson will work with Bill Conrad and Joanne Hessey will work with Shaun on the lawn contract.

New boat, trailer and car stickers were approved and will be purchased. The boat stickers will have numbers and will be waterproof. The design will include bold letters of SHR. When stickers are available, you will be notified about how to get them.

The request for the Firewise grant has been signed and sent in, we now await Firewise's response.

The next board meeting will be Thursday 4/22 at 7pm
