Neighborhood Watch is a crime prevention partnership where law enforcement and residents work together to keep their neighborhoods safe and their quality of life up. The Program is designed to empower all participants with education, encouragement, and a common-sense approach to safely serve as an additional set of "eyes and ears" for law enforcement and for each other.

You are invited to come meet your new neighbors, strengthen the relationships with your established neighbors, and learn how we can all play a safe role in this important program.

**We look forward to seeing you there!**
