## Overnight Mooring Privileges & Regulations

- Four slips at Dock 2 and four at Dock 3 are available for overnight mooring use by HOA Members, in good standing, from May through October for \$100/month.
  - Assignments of slips will be for a period of up to one calendar month. These slips will be assigned on a first-come, first-served basis unless demand exceeds the eight slips. In that case, a lottery method of assignment will be used for allocation. Once the usage period is complete, the HOA Member must remove their watercraft. That HOA Member may rejoin the “overnight mooring request list” after all other eligible HOA Members requesting overnight mooring privileges have had an opportunity to use these slips. If HOA Member does not remove their watercraft in a timely manner, The Springs HOA Board may have it removed at the owner’s expense.
- 

## Instructions

- Complete the attached form and return to the [Member Services Access Team](#) via email.
- Upon review and acceptance, a Member Services member will notify you and provide further information on how to remit payment.
- A reservation must be renewed each month.
